- Customise with your own kitchen cabinetry or purchase our stainless steel door panel accessory

## DIMENSIONS

<b>Height</b>	<b>2134 mm</b>
<b>Width</b>	<b>603 mm</b>
<b>Depth</b>	<b>610 mm</b>

## FEATURES & BENEFITS

### Mix & Match

Integrated Column Refrigeration gives you the freedom to mix and match. Different sized Column Fridges and Freezers can be installed separately or paired. Finish them with our stainless steel door panels or customise to match your own kitchen cabinetry.

### Perfect Fit

These models fit flush, with only 3mm gaps around them and no visible hinges or grilles. Our Integrated Column models can be seamlessly hidden behind your cabinetry, or you can purchase our stainless steel door panel.

### Clever Energy

Our ActiveSmart™ Foodcare Refrigerator Freezers adapt to daily use by cooling and defrosting only when needed. This means your fridge uses the energy it needs without compromising on food care.

### Appealing illumination

Bright LEDs light up each ceiling, shelves, bins and trays in both refrigerator and freezer, making it easy to find your food and creating a welcoming glow in your kitchen for those midnight snacks.

### Design Quality

The premium design and quality finish includes a steel interior lining as well as full-extension metal shelf runners for easy access, and robust glass shelving.

### Easy Install

Integrated Column Refrigerators and Freezers have been developed to make their installation easy. The joiner kit is included when pairing refrigerators and freezers. All models come with front adjustable levelling feet and they've been designed to easily slide into place as separate units.

## SPECIFICATIONS

### Accessories (included)

Joiner kit

**AJ-RS21LR**

### Accessories (sold separately)

Door panel stainless steel Left hinge 762mm	<b>RD6121L10D</b>
Door panel stainless steel Right hinge 610mm	<b>RD6121R10D</b>
Handle kit Classic	<b>AHCLRDSF</b>
Handle kit Contemporary round, aluminium	<b>AHSRDSF</b>
Handle kit Contemporary square fine, aluminium	<b>AHD5RDSF</b>
Handle kit Contemporary square fine, black	<b>AHD5RDSFB</b>
Joiner Kit	<b>AJ-RS21LR</b>
Toe kick stainless steel 1220mm	<b>AKRS12210</b>

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
