## FEATURES & BENEFITS

### Quiet And Effective

Featuring perimeter extraction, four fan speeds and a boost function, this cooker hood provides powerful extraction to quickly remove odours and steam. Odours can linger in the kitchen well after cooking is finished so the timer keeps the hood working for up to 15 minutes before automatically turning off.

### Simple Controls

The intuitive control panel responds to the touch of your finger. LED strip lighting illuminates the entire hob surface for the perfect sear or ideal reduction. Cooker hood settings, including temperature and fan speed, can be controlled via the SmartHQ™ app, with additional voice control options for fan speeds and lighting.

### Easy Cleaning

Designed for simple removal, the filters are easy to clean and dishwasher safe, while the glass and stainless steel finish is easily wiped clean. The SmartHQ™ app will notify you when to clean the filter to ensure you get the best performance out of your cooker hood.

### Complementary Design

This wall cooker hood features brushed black stainless steel styling with a black glass control panel which will complement any contemporary kitchen.

### Easy Installation

This wall chimney cooker hood is the perfect partner to your Fisher & Paykel hob. It can be either externally ducted or internally recirculated, making it perfect for apartments.
