- Spacious bottom freezer with full extension drawer gives easy access to frozen goods

## DIMENSIONS

Height	1790 mm
Width	900 mm
Depth	695 mm

## FEATURES & BENEFITS

### Complementary Design

Recessed handles and flat doors create a streamlined look to fit any kitchen aesthetic. With the choice of natural stainless steel or elegant black stainless steel, you can pick the finish that best complements your kitchen design.

### ActiveSmart™ Foodcare

ActiveSmart™ Foodcare learns how you live. It is technology which understands how you use your refrigerator and adjusts temperature, airflow and humidity inside to help keep food fresher for longer.

### Clever Energy

Your refrigerator adapts to daily use by cooling and defrosting only when necessary. This means your refrigerator uses the energy it needs without compromising on food care.

### Design quality

Our refrigerators are designed and built using robust, quality materials, with stainless steel exteriors and solid glass for the interior shelving.

### Ice Maker

Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space, or during busy times you can boost ice production by up to 30%.

### Ultra Slim Water Dispenser

The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water and doesn't take up any storage space in your refrigerator.

### Humidity Control

Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.

## SPECIFICATIONS

### Capacity

Volume	569 L
Volume freezer	152 L
Volume refrigerator	417 L

### Consumption

Energy consumption	534kWh/year
Energy rating	3 ticks
In-use energy carbon emissions estimate	208.5kgCO2e/year

### Features

Adjustable door shelves	6
Adjustable glass shelves	2
Covered door shelves	2

SmartTouch control panel	•	Minimum air clearance - each side	20 mm
Stackable bottle holders	4	Minimum air clearance - on top	20 mm
Ultra slim water dispenser	•	Width	900 mm

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.

**Freezer Features**

- Automatic ice maker
- Bottle chill
- Door alarm
- Fast freeze
- Ice bin and scoop
- Ice Boost
- LED Lighting

**Warranty**

- Parts and labour **2 years**
- Sealed system parts only **5 years**
