90cm Series 7 Integrated Insert Wall Rangehood, External Motor

Stainless Steel and Glass

Seamlessly fits in cabinetry above your cooktop, with an external motor for near silent yet powerful extraction in the kitchen.

- External motor delivers near silent operation in the kitchen
- With three fan speeds plus a boost function, select the perfect extraction rate for your cooking
- Powerful 1200m3/h maximum airflow

Dimmable LED strip lighting illuminates the cooking surface beautifully

DIMENSIONS

Height	315 mm
Width	830 mm
Depth	280 mm

FEATURES & BENEFITS

Near Silent Extraction

The powerful external motor is installed outside the home to deliver near silent extraction of cooking odours and steam from the kitchen.

Seamless Integration

This rangehood can be built into your cabinetry for a seamless look. Its black glass control panel and stainless steel finish is designed to match the rest of Fisher & Paykel's kitchen appliance family.

Effective Extraction

This rangehood features three fan speeds plus boost function, providing powerful extraction to quickly remove odours and steam. As odours can linger in the kitchen well after cooking is finished, the timer keeps the rangehood running before automatically turning off.

Full Surface Lighting

Low energy, dimmable LED lights provide superb illumination over the entire cooking surface.

Easy To Use

This Fisher & Paykel rangehood features a sleek and easy to use touch-control panel.

Easy Cleaning

The glass and stainless steel finishes are easily wiped clean and the filters are simple to clean and dishwasher safe. An alert reminds you when to clean the filter and ensures you get the best performance out of your rangehood.

Considered Efficiency

The four speeds with a range of different airflows means you can effectively remove cooking odours with reduced effect on your heating or air conditioning, ensuring less energy is used.

SPECIFICATIONS

Accessories (included)

Aluminium filter	792943
External motor kit	50170 HB 1200E* (included)

Accessories (sold separately)

Extra ducting length	792961
