

# Gas Range, 30"

Series 7 | Contemporary

Stainless Steel | Natural Gas

Add contemporary style to your kitchen, and enjoy the instant response and precision of a gas-fueled oven and cooktop.

- Four burner gas cooktop, with two dual ring wok burners
- Gas oven with 3.5 cu ft total capacity
- Three oven functions: Bake, Convection Bake and Maxi Broil

## DIMENSIONS

Height 35 3/4 - 37 5/8 "

Width 29 7/8 "  
Depth 25 1/4 "

## FEATURES & BENEFITS

### Design Quality

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable cooktop grates and machined stainless dials all add up to an exceptional, premium range.

### Large Capacity Oven

The large 3.5cu ft total capacity for this range gives you plenty of space to cook multiple dishes at the same time.

### Performance Power

Precise cooktop controls let you sear or stir fry over instant, powerful heat. Use the high burner power or simmer a delicate sauce using the gentlest of heats.

### Easy Cleaning

With its durable surface, your cooktop simply needs a quick wipe after cooking to keep it looking good as new for years to come.

## SPECIFICATIONS

**Where applicable:**

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
