- Moisture level control with ActiveVent technology

- Pyrolytic self-cleaning function breaks down food residue for an easy clean

DIMENSIONS

Height	598 mm
Width	596 mm
Depth	565 mm

FEATURES & BENEFITS

Multi-Function Flexibility

Each function has been perfected to ensure that no matter what you're cooking, you've got the right heat to match. This built-in oven has seven functions including Roast, Pizza Bake and Fan Grill, allowing you to use a variety of cooking styles.

Generous Capacity

With a generous 85L total capacity, you can create several perfectly cooked dishes at once using multiple shelves.

Exceptional Performance

With ActiveVent technology for optimised moisture levels and AeroTech™ for even heat distribution, you'll get perfect results even when using multiple shelves.

Self-Cleaning

Pyrolytic self-clean breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

Design Freedom

Designed to fit seamlessly into your kitchen, this built-in oven features premium materials and detailing to support a cohesive, considered kitchen design.

Safe And Sound

The CoolTouch door features triple glazing and a cooling system that ensures it's safe to touch from the outside - protecting both your hands and the surrounding cabinetry.

Grill power	2500 W
Temperature range	35°C - 280°C

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
