# 36" Series 9 Classic 5 Zone Induction Pyrolytic Range, 2 SmartZones

Series 9 | Classic

#### Black

Heritage styling meets modern performance, including an induction cooktop with the ability to pair zones to create a large cook zone.

- Five induction cooking zones that can be bridged to form two "SmartZones"
- Convection oven with 4.9 cu ft total capacity and nine oven functions including Roast and Aero™Pastry

- Self-cleaning function breaks down food residue for an easy clean
- Non-tip full-extension shelves for safe removal of hot dishes

# DIMENSIONS

Height	35 3/4 - 37 1/4 "
Width	35 7/8 "
Depth	25 1/4 "

# **FEATURES & BENEFITS**

#### **Outstanding Performance**

Discover the flexibility to get creative in the kitchen with nine oven functions including Bake, Roast, and Aero<sup>™</sup> Pastry with Pizza Bake. The AeroTech<sup>™</sup> system circulates air evenly throughout the entire oven, perfect for multi-shelf cooking.

#### Power & Control

The induction cooktop provides instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer a delicate sauce to perfection.

#### **Quality And Durability**

Every detail has been carefully crafted, from the heritage design cues, to the solid, perfectly balanced soft-close door, and to the chromed cast zinc dials. They all add up to an exceptional, premium range.

# Large Capacity

The large 4.9 cu ft total capacity for this range gives you plenty of space to cook multiple dishes at the same time.

Easy To Clean

The self-clean function reduces grease and food residue to an easily removable light ash and the cooktop simply needs a quick wipe to keep it looking good as new. The oven door and runners can also be removed for easy cleaning.

## Safe And Sound

Designed for your safety and convenience, this range features full extension telescopic sliding shelves, a quadruple-glazed CoolTouch door, and a child lock. Induction cooktops heat only the cookware, not the elements, so they are much safer in family kitchens.

# SPECIFICATIONS

#### Accessories (included)

2-pc grill system (Broil pan and Grill rack)	•
Broil pan	•
Full extension sliding shelves	2 sets (part 578755)

#### Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
