# Front Loader Washing Machine, 10kg, Steam Care

Series 7 | Front Load

White

This Steam Care front loader has 13 fabric care cycles to cater for every type of load.

- Reduce odours, refresh and de-wrinkle clothes with no need for a full wash cycle, using Steam Refresh
- Save time or maximise energy efficiency and reduce water usage with the Optimise Wash option
- Quickly and easily add or remove any item from the machine during the wash cycle with the Add a Garment function

 Wi-Fi enabled and works with the SmartHQ™ app for remote control and notifications

## **DIMENSIONS**

Height

Width	600 mm
Denth	655 mm

#### **FEATURES & BENEFITS**

## 13 Fabric Care Cycles

13 fabric care cycles including Steam Refresh, Quick 30, Bulky and Easy Iron. A gentle, effective wash action protects clothes while delivering an optimal wash performance.

#### **Quick Steam Refresh**

Steam Refresh is perfect for occasions where clothes have been worn once and need freshening up. The 20 minute cycle will reduce odours and de-wrinkle clothes, making them ready to wear again without the need for a full wash cycle.

#### Customise Your Wash

Shorten your total wash time with our Speed option, or choose Eco for lower energy and water use. The Quiet mode reduces cycle noise, perfect for late night washing.

#### A Smarter, Quieter Motor

SmartDrive<sup>™</sup> Technology is a gentle, quiet, and efficient combination of smart electronics and a direct drive motor that senses the load to deliver better fabric care.

## Health And Hygiene

Our Sanitise hygiene cycle provides extra protection for your clothes. The higher wash temperature and deep rinse cycles are designed to remove more than 99.99% of bacteria.\*

\*Independently tested to eliminate greater than 99.99% of Staphylococcus aureus and Escherichia coli using the Sanitise wash cycle.

#### Approved By Woolmark™

Our Wool cycle is an extra gentle warm wash, perfect for machine washable woollen items. It has a Woolmark™ guarantee so you can wash with confidence, saving time on hand washing.

#### Add a Garment

850 mm

Missed an item from your wash? Our Add a Garment function allows you to pause your wash cycle, open the door and add or remove items, then carry on washing.

## **SPECIFICATIONS**

# Capacity

Capacity 10 kg

# Consumption

Energy rating 4.5 star

Energy usage 297kWh/year

In-use energy carbon emissions estimate 40.2kgCO2e/year

Water consumption per cycle 86L

Water rating 4.5 star (WELS)

#### **Features**

Add a garment (immediate door opening)

User Guide

#### Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

QUICK REFERENCE GUIDE > WH1060P4

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
