

# 10kg Series 5 Top Loader Washer, UV Sanitise

Series 5 | Top load

White

This top loader is easy-to-load and has a specially designed pillow drum for gentle wash action to help you take better care of your clothes.

- Specialised UV Sanitise wash modifier to kill more than 99.99% of bacteria\*
- Auto load sensing uses just the right amount of water for best wash results
- Impressive 4.5 star energy and 4 star water rating

- Pillow drum design is gentle on clothes while a low profile agitator helps minimise tangling.
- Eco wash option reduces energy and water consumption for a more optimised wash

## DIMENSIONS

Height	1095 mm
Width	640 mm
Depth	650 mm

## FEATURES & BENEFITS

### Auto Load Sensing

Intelligent sensors determine load size and soil level before using just the right amount of water for best wash results and optimal fabric care.

### Star-Rated Energy And Water

This top loader washing machine boasts a 4.5-star energy rating and a 4-star water rating.

### Efficient Water And Energy Usage

The Eco wash option uses less energy and water during a wash cycle making this top loader a great eco-friendly option. A bionic lint filter helps prevent lint, fibres and other debris going back into grey water, for more efficient cleaning and rinse cycles.

### Easy To Use

This machine has a cycle to suit every type of load including Bulky, Extra Care and Wool. Select a cycle with the easy to use SmartTouch™ control dial.

### Soft-Close Lid

The tough glass lid delivers quality and durability. Its soft close mechanism makes it family safe, avoids slamming and allows for hands-free operation.

### Easy Installation

Self-levelling feet make installation easy and ensure the washer stays level, to reduce vibration and keep noise to a minimum.

## SPECIFICATIONS

### Capacity

Capacity **10 kg**

### Consumption

Energy rating	<b>4.5 star</b>
Energy usage	<b>263kWh/year</b>
In-use energy carbon emissions estimate	<b>35.6kgCO2e/year</b>
Water consumption per cycle	<b>102L</b>
Water rating	<b>4 star (WELS)</b>

### Controls

Control type **Capacitive touch display**

### Features

- Advanced out of balance detection
- Agitator **Low profile**
- Auto out of balance correction
- Automatic water level
