### **FEATURES & BENEFITS**

#### Precise Control

The consistent flame and heat distribution of the dual flame wok burner combined with the highly responsive dials offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

#### **Complementary Design**

The subtle black glass, anodised trim, and black dials blend elegance with durability and are designed to match the Minimal style Series 9 ovens. With premium styling and detailing, these hobs seamlessly blend with other appliances for a cohesive, considered kitchen design.

#### **Quality Materials**

Featuring cast iron trivets, anodised metal dials, and hightemperature resistant ceramic glass, our hobs are built with the finest materials for optimal performance.

#### Safe & Sound

The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

#### Easy Cleaning

Cleaning and care of these hobs is easy with sealed burners and a single sheet cooking surface. After each use, simply remove the trivets and wipe down the glass.
