#### Black Glass | LPG

Powerful single wok burner. Pair with any other appliance in our Minimal range.

- Perfect for a compact cooking area with one dual flame wok
   burner
- A timeless, minimal look to fit any kitchen style, with black ceramic glass cooking zones and a black trim
- A flame-failure safety device; if the flame goes out, the gas turns off

• Removable cast iron trivets and ceramic glass that can be wiped down for easy cleaning

# DIMENSIONS

Height	124 mm
Width	450 mm
Depth	530 mm

## **FEATURES & BENEFITS**

## Precise Control

The consistent flame and heat distribution of the dual flame wok burner combined with the highly responsive dials offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

## **Complementary Design**

The subtle black glass and durable matte black detailing are designed to pair with the Minimal style Series 9 Ovens. With premium styling and detailing, these hobs seamlessly blend with other appliances for a cohesive, considered kitchen design.

#### **Quality Materials**

Featuring cast iron trivets, anodised metal dials, and hightemperature resistant ceramic glass, our hobs are built with the finest materials for optimal performance.

## Safe & Sound

The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

## Easy Cleaning

Cleaning and care of these hobs is easy with sealed burners and a single sheet cooking surface. After each use, simply remove the trivets and wipe down the glass.
